Formal landscape gardening at 28 W. Seventh Street, Dunkirk, N. Y., on the grounds of Th. F. Van der Meulen, Nurseryman and Landscape Gardener.

**GROWER AND DEALER IN ALL KINDS OF FRUIT, SHADE AND
ORNAMENTAL TREES, SHRUBS, ROSES AND EVERGREENS**

We make a specialty of the hardy Old Dutch Boxwood and young Evergreens, which we sell at wholesale and retail.

Our Boxwood was originally imported from Holland in 1890. Ever since then we have grown it successfully in this locality, where it has proven to be strictly hardy.

We offer to assist in planning your landscaping and let you have the benefit of a practical experience of over fifty years.

Do not overlook the advantage there is in home trade, especially when it comes to planting trees and shrubbery grown in your own locality.

Yours sincerely,

Th. F. Van der Meulen
